501(c)(3) IRS APPROVED CHARITY

November 9, 2026

Dear Friend,

Scientists and researchers are on the brink of major breakthroughs in the cancer world. Advances such as smarter drugs, new treatments, and life-saving immunotherapies put a cure closer than ever — and funding is particularly needed for childhood cancer research.

Your letter text goes here. This page shows the letterhead with sample body copy set in Open Sans, the same typeface used across canceragogo.com.

Thank you for helping us win this war.

With gratitude,

Mac & Piers McDowell

Co-founders, Cancer-A-Gogo
